

Timing diagram Hatboro-Horsham Event

All units will enter the floor from the front left and exit to the back right. Upon entering the floor, each group will be able to use the entire left quadrant (side one- as viewed from spectators) to set up prior to total “show time” starting. After completing the performance, the vertical center timeline shall be utilized to determine groups off the floor when all *equipment and personnel* are to the right of the vertical center timeline. Please move quickly to the exit area.

Questions or clarification regarding this procedure should be directed to Tom Kelly @MAPS 215-840-0816. Do not wait until the day of the show for clarification.
